ARENA FUND CAMPAIGN STARTS

Al Laplante, left, Arena Fund campaign chairman accepts donations from members of the arena board to officially kick-off the fund raising drive to complete the dressing rooms, washrooms and stands. Giving

donations are from left to right: Al Laplante, Marcel de Champlain, Harry Pudlowski, Ken MacRae, John de Bruijn, Rene Kambouroff and Tom White. All canvassers are asked to attend the meeting tonight at 7:30 p.m. at Albert Lacombe School.

Legion plans Nov. 11 Service

Arrangements have been completed by the St. Albert branch of the Royal Canadian Legion for the annual Remembrance Day Parade and Service in St. Albert. Parade Marshal, Mr. Jim Dobbie, requests that all organizations and individuals taking part in the parade be at Grandin Shoppers' Park by 10:25, as fall-in is scheduled for 10:30 Wednesday morning, Nov. 11.

The St. Albert Air Cadet band will accompany the parade to the cenotaph.

Representatives of local groups participating in the parade and service will form an honour guard.

O'Canada will open the service at the cenotaph at 10:55 a.m. The Last Post will be played, followed by the gun salute by 20th MED Regiment of the Royal Canadian Artillery, to mark the

beginning of two minutes silence in honour of the fallen. Reverend R. O. Olsen will lead in prayer.

Wreaths will be laid by Silver Cross mother, Town of St. Albert, Royal Canadian Legion, Legion Auxiliary, the Province of Alberta, the Catholic Womens' League, followed by any other organizations or private individuals who wish to take part in the laying of

wreaths. Lt/Col A. G. Lynch Staunton will accept the salute in the march past.

The traditional openhouse will be held in the Legion Hall following the services. In the evening the St. Albert Legion are holding a dinner and dance at the Club Mocombo from 7 p.m. Dinner will be served at 8 o'clock and there will be dancing from 9 until 1 a.m.

League drive earns tidy sum for arena project

It was a hard drive and many hours of work for the board members of St. Albert Community League, but when the combined figures of the raffle ticket sales and hallowe'en benefit dance were totalled up, they were well pleased with the results. Net proceeds of \$1,485.95 were realized for the league's current undertaking to aid the arena. The funds will be used for the following three purchases: furnace and heating ducts for the bathrooms and dressing rooms; a 300-gallon hot water tank for flooding the ice; two overhead heating units.

The dance was a sell-out success and greatly adding to the fun were the marvellous variety of costumes. Judges George Soetaert, Mrs. John James and Mrs. Joyce Meurin were hard put to pick six winners, but the crowd got a big kick out of the costume parade and were happy to let them take their time.

Winners of the cash raffle were R. Van Riper, Grantham Place - \$100, John

Beedle, Grandin Road, \$75; and Ron Lavang, Marian Cres. \$25. Mr. John James drew the winning tickets while Marcel de Champlain held up the box of stubs.

Dancing went on till one o'clock to the music of Dave Terrault's Golden Altos and the crowd of about 250 had a wonderful time.

Paul Kane interviews

Paul Kane High School first-term report cards were mailed on Tuesday, November 3, along with the parent-teacher interview application forms.

Parents who wish to discuss the progress of their children with the teachers, are requested to complete and return the parent-teacher interview application forms to the school by Friday, November 6th.

Parent teacher interviews are scheduled for Thursday, November 12, 1970.

Solo show by local artist

A professional artist of considerable renown, who is now making her home in St. Albert, has a one-man exhibition of her work in etchings and paintings opening at the Edmonton Art Gallery next Tuesday evening, Nov. 10, at eight o'clock.

The exhibition is the first in a series called "Eye on Edmonton" and will be showing until Nov. 30.

Mrs. Urmila Upadhyaya-Garg, from the kingdom of Nepal received her early education at a Ghandi school in India before entering the School of Art in Bombay,

where she obtained her diploma after five year's study and then completed two years post-graduate work in fresco painting.

She continued her art studies at the Ecole des Beaux Arts in Paris for a further six years under Brianchon and graphics in color under Hayter. This was followed by study in

Rome and a Unesco scholarship which took her through Italy and Greece.

Mrs. Garg has to her credit solo shows in Bombay, Paris, Lucknow, Winnipeg, Calgary and other centres. Her work is represented in a number of major collections in England, France, United States

Lougheed to speak at P.C. Convention

Mr. Peter Lougheed, Progressive Conservative leader will be guest speaker at the party's nomination convention in Morinville November 10.

As of Tuesday night five candidates have entered the nomination race: John Devereux, William Flynn, Ray Gibbon, Ernie Jamison and Barbara Wheatley.

Nomination papers must be filed with the president of the St. Albert Constituency Conservative Association, Mr. Rene Kambouroff, before 8 p.m., November 8th. This may be done during business hours at Mr. Kambouroff's offices at 12 Perron Street, or at 33 Gordon Crescent, St. Albert.

Mr. Bob Sewell of the Provincial Conservative Association will be in charge of checking membership credentials, and conducting the voting. Mr. Kambouroff will chair the meeting.

The meeting will be open to the public but only certified members of the Progressive Conservative Association of Alberta will be issued ballots for voting.

Memberships in the association will be sold at Morinville Recreation Centre the night of the convention, Tuesday, November 10th.

Last Call for Citizen of the Year

Chairman Jim Oliphant of the Chamber of Commerce Citizen of the Year Award committee sends a last minute reminder that all nominations for this award must be delivered to his office at Grandin Agencies, Grandin Shoppers' Park by 6 p.m., Wednesday, Nov. 4, or postmarked no later than mid-

night, Nov. 4.

The written nominations will be turned over to an entirely independent panel of judges on Nov. 5.

The award will be presented at the Chamber's annual dinner dance to be held Friday, Nov. 27.

Last year's winner was Mrs. Lorraine (Ken) Moore,

London Society stages big evening

The hallowe'en dance of the London Society held Saturday evening at Club Mocombo proved a gala affair with a good crowd of young and old in attendance many of them in costume. Music by the "Crusaders" kept everybody up on the floor most of the evening. A novelty sweepstake netted \$20 for the winner and \$20 for the Hercules Soccer program.

Door prizes and costume prizes were awarded, and a tasty lunch was served.

A "Knees-up Mother Brown" whoop de do looked extremely strenuous and had almost everybody involved. For some reason the men

came back groaning and rubbing shins or heels. Either the gals had very bony knees or they are the stronger of the specie!

Highlighting the evening was the presentation of a cheque for \$750 by the London Society to the Hercules Sports Association in St. Albert. This was the first installment of a total of \$2,250 in financial assistance the Society has voted for the Hercules Club over three years.

President Sid Booth of the London Society made the presentation to Del Larson, president of the Hercules.

Buy Golf shares now

President Alex Bendera of the Sturgeon Valley Golf Club reminds residents of St. Albert and district that the club has a few shares left to be sold before the price goes up on December 1st. During November they will be sold at the old price of \$200.

The club executive have increased the membership

shares to \$300, effective December 1st, and it was also decided that shareholders will pay green fees in the future.

If you've been thinking about a share in the golf club, this is the time to make the purchase. Interested persons may telephone Mr. Bendera at 599-8118 for further information.

Minor hockey registration

Minor hockey will again this year be co-ordinated by the Kinsmen Club of St. Albert in co-operation with the Recreation Department. Registration forms will be available through the schools.

Registration will be held November 7 from 9 a.m. to 12 noon at Sir George Simpson Junior school gym (Grosvenor Blvd.)

Registration fees due and payable November 7 are:
Shavers - \$5 per boy;
Mites, Peepees, Bantams - \$7 per boy; Midgets - \$10 per boy; Family fee - \$17

maximum.

In order to upgrade the quality of the game qualified referees will be paid.

All players will have the opportunity to play in the new arena and as well all playoffs will be held indoors. Fee increases are attributed to:

- 1) Paid referees.
- 2) Ice rental in the arena.
- 3) Insurance cost increase.

The minor hockey committee expects a substantial deficit which must be picked up by the Kinsmen Club.

John Devereux enters

Nomination race

JOHN DEVEREUX

Mr. John Devereux, a well known farmer of the Lamoureux district, has announced his candidacy for the Progressive Conservative nomination.

Mr. Devereux has long been active in the Conservative party at both the provincial and federal levels. He has been a member of the St. Albert constituency over many years and an executive member of the Pembina Federal constituency association as well.

This is his first bid for

office. "I reached the decision to run for office largely because of the urging of my friends and neighbors in the Lamoureux, Gibbons, Horse Hill and Sunnyside areas," said Mr. Devereux.

Mr. Devereux whose farm is a few miles out of Fort Saskatchewan, is a member of the Fort Saskatchewan Hospital Board and also of the golf club there. Mr. Jim Speer is his campaign manager.

Candidate's viewpoint

Candidate for office of MD
Sturgeon Council Division 4

MD elections are once again just around the corner. I must admit my disappointment in the apparent lack of interest. How often over the years have candidates for MD office gone unopposed.

It seems to me that participation and interest of all people in the affairs of our municipality is a key to effective local government.

For this reason I have submitted my nomination for the forthcoming election on November 25.

Local government as I see it is a two-way street. The councillors need to know what the people want and the people need to know what the councillors are thinking. And of course the council has to do the day to day work of managing our affairs.

This requires leadership and sound thinking on the part of the councillors. Sometimes a councillor has to say no - he is the one who has to balance the budget.

If a taxpayer has a problem that can be looked after, then I believe his councillor should act promptly to look after it.

As a voter, what are you looking for in your councillor? Are you interested in new ideas on council? A better graded road? Taxation policies? Improved recreation facilities for your children?

On these and other questions I do not claim to have a bagful of answers. On the other hand I believe I can

FRANK COMEAU

work with council and offer some solutions on some of these problems.

I sincerely hope to make your problems my problems. With that in mind I will try to be of service to the farm people in my area. If elected by the people of Division 4 I will work with vigor and determination to bring your problems and your ideas to council. Then I will use my ability and a capacity for hard work to help you solve those problems.

I will be making a special effort to visit with every one of you. Should you have any further questions or anything at all to ask of me, I may be reached at the following number 256-2066.

Famed square dance caller here

St. Albert is reaping the benefit from a change in plans of the Edmonton and District Square Dance Association, brought about by the strike of school janitors.

One of the outstanding callers in the business, Mr. Bruce Johnson of Santa Barbara is calling for two evenings of square dancing and the place was moved from Jasper Place school to Sir Alexander Mackenzie school in St. Albert. As many as 40 squares of dancers were expected for last night and again tonight. The St. Albert Saints and Sinners club are a very active group in the association.

Mr. Johnson majored on

music in an American college and on top of being one of the big-name professional square dance callers on the continent he has his own recording company. He is on the faculty of several square dance institutes, including the Alberta Square Dance Institute Society which meets annually at the Banff School of Fine Arts.

The two evenings in St. Albert are by no means

confined to only the top flight dancers. All members of the square dancing association are welcomed, in line with the overall aim of "Square Dancing for Fun" which has always been the main objective of the association.

There will be no charge for spectators, who wish to drop in at "Sam" school tonight. Dancing begins at 8 p.m.

Fish and Game sponsor Farmer's Night

November 10 is Farmers Night at the St. Albert and District Fish and Game Association regular monthly meeting.

District farmers are urged to attend and voice their problems.

The sportsmen's group is anxious to meet the local farmers, where for a change they can play the role of hosts.

Fish and Game members want to point out that they despise the actions of vandals who carry out senseless acts of destruction against landowners.

Walter Frank, a district farmer and a director of the local club, points out that the farm community is very frustrated by the actions of thoughtless "hunters." Mr.

Frank however is quick to point out that he has been impressed with the hunters in the club who are genuine sportsmen.

The primary purpose of the organization is the conservation of our fish, wildlife and natural resources; and to encourage sportsmanship and good relations between sportsmen and the general public.

Besides discussion the program will include films entitled "Prairie Homes" and "Marsh Land, Waste or Wonder?" Another film on big game will also be shown if available.

Free coffee and donuts will be served.

Farmers night will be held in the Community Hall in St. Albert starting at 8 p.m.

Even with all the inflation, a penny is still plenty to pay for many a thought.

ST. ALBERT & STURGEON GAZETTE

... to the editor

The Editor:

With regard to the article on myself that appeared in the last issue of the Gazette, I would like to make one small correction. You mentioned that I designed the Leo Nickerson School in St. Albert. This is incorrect. In point of fact, I have designed no schools in St. Albert.

I want to express my appreciation for the support the Gazette gave me in the cartoon, I have never seen myself

in cartoon form before, and it was quite an experience.

However, I wish to emphasize that my main concern regarding the new university is that the design be entrusted to the best possible architectural talent. I do not think that St. Albert deserves a mediocre building because of expediency and compromise.

Teachers entertain parents

A large crowd of parents and teachers gathered at Sir George Simpson Junior high school last week when the teaching staff entertained the parents of their students at an informal get-acquainted coffee party.

The assembly area was most attractive with fall decorations in gold motif done by the teachers using sprays of grain and various plants and even the table covers were sprayed in gold.

Coffee, tea, sandwiches and cakes were arranged on a serving table and served by trays carried to card tables arranged in the area. Lounges and easy chairs were also grouped for easy

mingling of parents and teachers. For easy identification the teachers wore name tags.

The evening was entirely arranged and handled by the teachers who sent invitations, set up the assembly area, did the serving and cleaning up.

Comment from the parents who attended indicated that the evening was a great success in its purpose of helping teachers and parents to get to know each other better.

The Simpson school includes grades four to nine and has a student population of close to 700, and teaching staff of 36.

Members of the Hercules Club and the London Society got together at the Society's hallowe'en dance Saturday night at Club Mocambo, and everybody had a ball! From left to right: John Alliston, Lloyd Hopkins and Tony Holden of the Hercules Club, Jack McCloud, social convener for the London Society, Irene Booth (alias laugh-in's Ruth Bussey), first vice-president; Barbara Webster, 2nd vice-president; Del Larson, president of the Hercules Club and Sid Booth, president of the London Society, which has undertaken a three-year program of financial help to the Hercules Sports Association in St. Albert.

Hercules Club welcomes support

The Hercules Sports Association has been in existence since 1960 and though since that time the name and programs have been altered from time to time, its aims and objectives have remained constant - to promote sport in St. Albert, particularly among the young.

We owe a great deal to the founding members of the association. Some of them are no longer with us but a few have remained active in the association and other organizations in the town.

A few years ago "Her-

cules" was up to its ears in debt but thanks to the hard work and enthusiasm of its members, this debt was finally discharged last year and the association breathed easier.

Now they're practically jumping with joy having been taken under the wing of the London Society.

The activities of the association came to the attention of the Society and members of that organization approved very much of what the association was doing in organizing sports activities for the youth of St. Albert. They decided to show

their approval in a very practical and acceptable form and members of "Hercules" are deeply grateful to them for their generosity. Now they can continue their work with the young without always wondering "where's the money coming from?"

Del Larson, left, president of the Hercules Sports Association, accepts a cheque for \$750 from Sid Booth, right, president of the London Society, while Lloyd Hopkins (Mr. Soccer) of the Hercules Club looks on at centre. Presentation was made Saturday evening at the London Society's hallowe'en dance.

A small boy debunked the talk about a painless dentist in his neighborhood. "He's not painless at all," said the youngster. "He put his finger in my mouth and I bit it and he yelled just like anybody else."

Catfish farming is the newest agricultural enterprise these days - mostly in the southern States, and already it's a multi-million dollar business.

The council of the Town of St. Albert having been given authority under Section 119 of the Planning Act, 1963, as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a Public Hearing.

The purpose of the hearing is to rezone:

That area shaded on the map i.e. That those parts of Riverlots 29 and 30, St. Albert Settlement which lie north of Bellerose Drive presently zoned Agricultural (A) be rezoned to Commercial Class 4 (C4) to accommodate an Implement Dealership.

The proposed By-Law #31/70 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary Treasurer, Town Hall, St. Albert.

The Public Hearing will be held in the Council Chambers on the 7th day of December, 1970 at 7:35 p.m.

Written objections to the proposed By-law may be received by the Secretary Treasurer at his office until 4:30 p.m. on the 3rd day of December, 1970. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

D. B. O'Connell,
Secretary Treasurer.

Auxiliary to elect officers

The nominating committee of the Sturgeon Hospital Auxiliary will present the following slate of officers to the November 9th meeting when the new executive will be elected:

For President: Mary Campbell, Ingrid Elliott and Doreen Pollard. (We regret that Mrs. Elliott's name was omitted in last week's report).

Eleanor Dean has been nominated for 1st vice president, and two members, Priscilla Schafers and Simone Kluthe for 2nd vice president.

For Secretary: Lorraine Grant and Mary Halwa are nominees, and for Treasurer: Shirley McCutty and Isola Derchers.

The auxiliary brought a bit of hallowe'en fun to the hospital Saturday by way of carts laden with fruit and hallowe'en candy which they took around so every patient could select a treat, including the two children in hospital.

On Dec. 5 they are holding a Christmas bake sale at the Safeway store in St. Albert. Convener is Ingrid Elliott.

Legal Locals

Mr. Adelard Demers from Welland, Ontario and Mr. and Mrs. Aubin and family from Falher were visiting their father Mr. Wilfred Demers, their sister and brother-in-law Mr. and Mrs. Raoul St. Jean last week-end.

Mr. and Mrs. Joe Kostiv of Legal are proud to announce the arrival of a baby boy born Oct. 21, at the Immaculate Hospital. A brother for Gail.

The rummage sale committee would like to thank everyone who contributed to, or patronized the rummage sale held last week. The proceeds were for the parish. Plan to attend the November

ber sale at the Recreation Centre.

Some 25 ladies started the losing to win series at the Recreation Centre. The sessions are held every two weeks.

"Bottle Drive" next Saturday afternoon to help support minor hockey. Have those bottles ready, help the youngsters.

The school trustees accompanied by their wives attended the school trustees convention at the Chateau LaCombe this week.

Mr. and Mrs. Roger Prefontaine and Mr. and Mrs. Albert Pelletier travelled to Grande Prairie, Peace River and Nampa where the couples visited Mr. and Mrs. Armand Provencal and family.

Around Sturgeon

A fellow really doesn't have much hope of hiding anything from his good wife, as Leo Mairier discovered recently. When he awakened in the night with a rather nasty pain in his arm, he never suggested to Jeanne the probable cause. However the next morning a neighbor inadvertently referred to a mole ski spill Leo had had the night before. By the way, how many people realize that Leo and Jeanne began their 22nd consecutive year as school bus drivers this fall. How about that?

Robinson named Superintendent of Sturgeon schools

Mr. F. J. Robinson has been appointed by the Board of Trustees of Sturgeon School Division as superintendent of schools. This appointment is in keeping with the new School Act which requires school boards to appoint a superintendent who shall act as executive officer of the board.

Mr. Robinson succeeds Mr. A. R. Kunst, a department of education appointee, who has served the board for the last six years. Mr. Kunst has been recalled by the Department of Education to serve as a fine arts consultant in a newly established regional office.

Mr. Robinson has had a long association with Sturgeon School Division, having served as principal at Calahoo School (1950-52) Poplar Lake School (1952-54) Camilla School (1954-60) and Horse Hill School (1960-68). In 1968 he was appointed assistant superintendent of schools and his appointment as superintendent became

F.J. ROBINSON

effective October 1st.

In 1966 Mr. Robinson was granted a year's sabbatical leave to do graduate work in educational administration at the University of Alberta.

In 1967 he was awarded a special Centennial Award by the federal government for his contributions in the field of education.

The Sturgeon School Division has not made any appointment to fill the assistant superintendent's position left vacant with the promotion of Mr. Robinson.

Morinville

Hallowe'en passed without any serious damage and crowds of little people visited business places and homes in Morinville. A masquerade dance held in the Recreation Centre, sponsored by the Morinville Church council had a good crowd and many groups had a very good time.

Mrs. Catherine Steffes took first prize as Split personality, for the most original costume. Mr. Tom Benne of Edmonton took the men's top honor prize as Miss World. For the funniest costumes - Gay St. Germain as a hippy girl and Harvey Vranas with his see-through blouse costume.

Other groups who also received prizes for special efforts were Rene Chevalier and Miss Denise LeBoutte; Mrs. Janine Chailoux and Mrs. Jeanette Ouellette; Mrs. Madeleine Gibeau and Clarence Steffes; Miss Louise Casavant and Maurice Froment, in the miscellaneous class - Paul Krauskopf, Ken Saunders, Philippe Morris and Ray Meunier were winners.

Judges for the evening were Sister Karen and Cecile and Camille Gregoire.

Mrs. Alphonse Demarals, was a recent patient in Sturgeon hospital.

Miss Louise Pelletier and Mr. Norman Boissonault were feted at a social evening held in the Morinville Legion Hall last weekend, prior to their wedding Nov. 7th.

Mrs. Agnes Bouchard and family of Edmonton were guests in Morinville last weekend. Mr. and Mrs. Louis Proulx had the visit of Mr. Gerard Caouette from Athabasca.

The Morinville Board of Trade held their regular

supper meeting last Tuesday with Mr. Norman Chailoux as convener.

Several members of the Thibault school board are attending the Alberta School Trustee convention in Edmonton this week.

Morinville will host the Progressive Conservative Nomination meetings scheduled to be held in the Morinville Recreation Centre on Tuesday, Nov. 10 at 8 p.m.

In Memoriam

DANNY NIMSICK

In loving memory of our son and brother who passed away November 3rd, 1968.

There was no time to say goodbye the night you went away,
You left us, oh so suddenly, two years ago today.
Our hearts still ache with sadness, and silent tears still flow,
For what it meant to lose you, no one will ever know.

Ever remembered in our hearts, and sadly missed by Mom and Dad, Arlene, Mariette, Shawna and relatives.

Klak-Houle Wedding

Miss Yvonne Houle daughter of Mr. and Mrs. Bruno Houle of St. Albert was given in marriage by her father and mother to Mr. Brian Klak, son of Mr. and Mrs. Jim Klak of Villeneuve on October 17. The double ring ceremony was held in the St. Albert Roman Catholic Church with Reverend Father Levangie officiating.

The bride wore a floor length velvet gown featuring a long train lined with dark pink sateen to match the bridesmaids ensembles. Her floor length veil was held in place with a velvet bow and bead work to match the gown. She carried red roses and white gardenias.

Bridesmaids were Miss Elaine Houle, Miss Margaret Veness and Miss Lena Sotaert. They wore dark pink velvet gowns with satin trim and carried white mums.

Best men were Mr. Daniel Huot, Mr. Gary Boddez and Harold Klak, Ushers were Mr. Gerald Sotaert and Mr. Leo Houle.

Mr. Guy Hebert was the

MR. & MRS. BRIAN KLAK

soloist for the occasion with Mrs. Helen Ostapovich accompanying on the organ.

The mother of the bride chose a medium blue fortel ensemble with beige accessories and a yellow orchid. The mother of the groom wore a sea-green fortel ensemble with black accessories and a pink orchid.

Following the ceremony a reception and dance was held at the Polish Hall. Master of ceremonies was Mr. Jim Klak, brother of the groom and the toast to the bride was given by Mr. Guy Mathieu.

The couple left for a honeymoon to British Columbia after which they will be residing in Villeneuve.

Bachelor Bosses Beware

The boss who is intent on preserving his bachelorhood may find his task more difficult, for a secretarial school in London, England, has as its stated objective the goal of producing a special breed of secretary.

"Each of my girls should

marry her boss," says the school director. To prepare for this role in life, students receive instruction in etiquette, flower arranging, dancing, interior decorating, design, art appreciation, gourmet cooking and the selection of antique furni-

ture. Spare time, if any, is spent on learning the rudiments of typing and dictation.

Wiper

A new invention came on the market on Oct. 1 - an automatic headlight wiper. Invented for the security and well-being of the motorist, the automatic head-light wiper may be relied upon regardless of road or atmospheric conditions.

If you think practising what you preach is rough, try preaching what you practise.

Fires

The restriction on open campfires in most provincial forests was lifted on Oct. 5, and applies to all forests but the Willmore Wilderness Park.

Some school dropouts are brightest students

High School dropouts are not unmotivated young people nor do they necessarily lack the intelligence to finish Grade 12 or 13, contrary to much public opinion.

This is a conclusion of a recently completed study by the Calgary Family Service Bureau, reported in School Progress magazine. Bert Marcuse, executive director of the bureau, launched the survey because he became concerned about the stereotyped opinions of students who drop out, which label them as "no good, unmotivated people."

His interviews disclosed that two-thirds of the dropouts were taking other courses or special training elsewhere. Bordeaux causes many students to quit school, he found. Another cause is the fact that many older students who have left school and come back to try again, just can't face it--"they feel left out, isolated and uncomfortable," says Marcuse.

Poverty is also blamed for poor academic performance, he points out, but adds: "It is not true that children from deprived areas are not motivated. They may have different values, but they are not unaware of the value of education. They just don't have the expectation of being able to go to university."

University is still not available to most lower income students, even less so in Canada than the U.S., says Marcuse. "But ec-

onomically deprived children often know that if they finish Grade 11 or 12, they will have to contribute to their family's upkeep, or their own," he adds. "They have to accept the fact that education is still for the privilege people in our society."

Marcuse stresses that un-

derstanding the problems of youngsters from poor homes is essential if they are to have equal opportunities with more fortunate children, "but most middle-class people--including many teachers--have a fantastic ignorance of the culture of poverty."

Around Town

The St. Albert Protestant Kindergarten held its annual hallowe'en party Friday, Oct. 29. The mothers or representatives of each child were present and everyone enjoyed the party. Children entertained with singing and lunch was served.

The Sturgeon River Local Association wishes to extend a special thank you to all

those who assisted in the paper drive held last weekend, helping to make it such a success.

The St. Albert United Church women would like to thank all those who attended their bazaar and tea held in the Community Hall, Saturday, Oct. 31. The day proved very successful, and the hot luncheon was a very popular feature, which we hope to

Nearly every day of the week volunteer workers can be seen in the arena as St. Albert men lend a hand at scores of odd jobs. Right at the moment anybody with experience in laying concrete blocks would be a very welcome volunteer indeed. Any such people are invited to phone Jimmie Roberts at 599-6046.

The St. Albert Community Band now has some 56 juniors and 22 seniors under

the over-all direction of Jerry Weness and results of their weekly practises should be making themselves felt in another six weeks or so, when they will be ready for some performing. A meeting of interested parents and band committees has been called following band practice at Leo Nickerson school next Tuesday, Nov. 10.

Mr. John James had the honor of drawing the winning raffle tickets at the community league hallowe'en dance, from Marcel deChamplain, looking quite rakish (or should we say debonaire) in his jaunty hat.

Winners of the community league cash raffle were contacted Sunday morning with the good news. Shown with President Henry Terrault, left, are R. Nan Ripper, John Beedle and Ron Lavang, all of St. Albert.

Not every day that Henry shakes hands with the devil - or that Anne Kampen gets kissed by him. St. Albert's popular man around town, Elmer Harrison was very convincing in his outfit.

Henry Terrault hands a costume winner her prize. But who is she? The Gazette will pay \$2 to the first person who telephones in the correct name of this person. Attractive lady in centre is actually a man.

Participants enjoy a good laugh as they parade around the community hall for judging at the dance last Saturday night. The Wildcat is Joan Lewis with her Chinese friend, Dave Lewis.

Threat to Salmon

Unless firm action is taken quickly, Canada's Atlantic salmon will be extinct before long, a federal fisheries official said recently. The threat to the Atlantic salmon is caused by indiscriminate

raiding of the ocean feeding grounds of Greenland; continuous pollution of spawning rivers by industrial complexes in the Maritimes, and irresponsible netting of spawning-bound salmon by Canadian poachers.

For our money about the funniest act put on in the costume parade was Bonnie Gaetz in his bikini and ultra-mod body paint job. He had the crowd in stitches as he went through some go-go girl routines and clowning his way around the hall. Betty Cameron as a friendly skunk is at left and that's Joanne Cockwill at centre.

One doctor says he can cure a woman of just about any complaint simply by telling her it's a sign of old age.

Oro rapeseed not recommended

The Alberta department of agriculture does not recommend that rapeseed growers in this province switch from the production of Polish type rapeseed to the Argentine variety, Oro.

Oro is one of three varieties developed in Canada which are free of erucic acid, and so far, it is the only one available commercially. However, a new erucic-free Polish variety will be available in quantity by 1972. Seed stocks are being increased in the southern United States this winter and will be further multiplied by Canadian growers next summer.

Oro has a number of disadvantages which the department feels justifies postponing production of erucic-free rapeseed until the new Polish variety is available. Ninety to 95 per cent of rapeseed grown in Alberta at the present time is Polish.

The main disadvantage of Oro for this province is that it matures 10 to 14 days later than the Polish types now grown here. It is doubtful, says Mr. Bratvold, whether Oro could be successfully grown in the black or grey soil zones. Immature seeds and frost damage would almost certainly low-

er the quality.

Another disadvantage of Oro is the size of its seeds. Because they are larger than present varieties, it would be almost impossible to separate them from weed seeds, especially ball mustard and cow cockle.

A third disadvantage is that Argentine type rapeseeds tend to contain more thloglucosides than the Polish types. Thloglucosides are not desirable in rapeseed meal used for livestock feeding. The Canadian rapeseed industry has developed a rapeseed meal which can be used for all types of livestock, and this meal has

found an important place in both Canadian and Japanese feeding establishments.

Finally, the introduction of Oro or any other Argentine type rapeseed into Alberta at this time could have very serious consequences for the future. Volunteer growth from Oro could contaminate future Polish type erucic-free rapeseed. A mixture of the two types would be completely unacceptable to both domestic and foreign crushers.

--Issued by the District Agriculturist's Office.

Work smarter not harder

By working smarter one can SAVE TIME to do more of the things one would always hope to do. Managing time is like going on a diet--talking about it gets you nowhere; one must start doing something and keep doing it.

Browse through this list of ways one can save minutes and hours in one's daily life.

• which ones you can use.
• Buy a pair of oven mitts and use them for polishing and waxing or dusting. Put 1 or wax on one and use the other for shining and polishing.

Telephones, lamp bases, accessories will be easier to clean if they've got a coat of polish-on wax.

Save steps by grouping everything that has to be done in one part of the house together--if you're cleaning the bedroom, change the beds while you're at it.

Bathtub rings disappear with ease when rubbed with worn-out nylon hosiery.

Store items near the place they are used to eliminate many steps, e.g., bathroom linen should be in or near bathroom, sewing basket

wherever sewing or mending is done.

Have each child make his bed every morning.

Delegate small tasks to children -- setting the table, clearing it off, carrying out garbage, feeding the pet. Everyone should carry his own dishes to the sink for rinsing.

Suit your work schedule to your personality. Find the time of day when you're more efficient and work then. IN THE KITCHEN:

Keep duplicate utensils in the various work centres of your kitchen, e.g., measur-

ing spoons and cups, wooden spoons, knives, etc.

Try the new oven cleaners that are used with a pre-heated oven.

Use a serving cart to speed setting the table, bringing food to the table and clearing the table.

Organize your kitchen cabinets with turn tables, pull-out shelves, step shelves and dinnerware racks.

Store staple pantry foods in glass containers. You can tell in an instant what you are picking up -- quick shopping inventory.

Look for more work savers next time.

Last call for Warble treatment

Have you treated your cattle to their Warble Control Treatment yet? Remember that November is the last month in which the use of systemic insecticides to control warble grub is recommended. Undesirable side effects can occur if treatment is administered later. The benefits derived from treatment far outweigh the cost. This municipality has been declared a warble control area and all cattle must be treated for warble control.

For further information contact the fieldmen at the MD office in Morinville and pick up your insecticide at the same time.

Order your seed now

Farmers are advised to order their seed requirements as soon as possible for the newer varieties. There is a shortage of some of the pedigreed stocks of cereal grains and rapeseed.

Anyone who has difficulty in obtaining seed supplies should contact the district agriculturist at Morinville.

--Issued by the office of the District Agriculturist.

How to shop for furniture

By Pat Prymak

District Home Economist.

On today's market there is a wide choice of furniture available in the various styles, finishes and fabrics. The majority of today's furniture is lovely to look at as well as being functional in the home.

You can invest your money wisely by using your own good judgement and looking for the telltale clues that indicate quality.

Before you shop, determine the role of furniture in your home. It will be a tangible reflection of your family's personalities. Do you lead an informal, semi-formal or formal way of life?

Choose only furniture that is pleasing to all in the family -- but do take dad's size into consideration and buy comfortable sofa and chairs.

CHOOSING A FURNITURE STYLE: First, you should decide on what style of furniture you want -- traditional, provincial, Early American or contemporary.

Traditional furniture has a regal air. Decoration is generous and ornate signatures include gilt, paint, carvings, fretwork, claw-and-ball feet and extravagant fabrics. Curved lines predominate the furniture line.

Provincial furniture -- inherits the grace, charm and form of traditional furniture but eliminates the lavish decoration.

Early American furniture its origin and practicality is traced to our colonial artisans who built furniture for practical use by hardy pioneers.

Contemporary furniture -- embraces the simplicity of line and modern functional qualities. Their charm is dependent upon grace of line and decoration is usually inherent in the piece, e.g., a beautiful wood grain or inlay.

Choosing Furniture Woods -- Six fine hardwoods are prominent in the styles popular today.

Natural blondes are fine-grained birch and maple. Birch is moderately priced, is generally blonde, but may be finished in soft brown for contemporary pieces. Maple is white to pinkish brown naturally, but is best known for the reddish finish created for Early American furniture.

Mahogany and walnut are

the aristocrats of woods and so are the most widely imitated. True mahogany is a rich brown wood. Walnut is used for every type of furniture except Early American. It is not heavy, but extremely strong, and its natural brown color may be bleached or finished to any tone desired.

Cherry is popular for both provincial and traditional furniture. Rich and vibrant reddish brown in color; it has an interesting soft grain pattern.

Coarsely grained oak is making a come back and is an excellent choice for ranch style furniture.

The Shopping Trip Itself: with the basic information on furniture styles and woods, you should know the terminology of the trade.

Hardwoods are referred to as "solid," "veneer," and "genuine." Most furniture is veneered. Veneers make woods even stronger than they are naturally. Solid pieces are often made of maple. The label "genuine" indicates the use of the hardwood, such as "genuine mahogany," for veneers on surfaces and in solid form for structural parts -- legs and stretchers. The word "finish" after a name e.g., "walnut finish" usually means a less expensive wood has been colored to resemble walnut.

Good workmanship is also important. Rock a chair, table, chest or similar piece to test its steadiness. Check drawers for free and easy motion and look for dovetailed joints at front and sides. Back panels of chests should be recessed into grooves in the upright posts, not simply nailed flush to the back.

Well-made furniture has proper reinforcement in places of strain. Blocks under side of chairs, sofa should be screwed and glued into corners. Top quality upholstered chairs will have web strips supporting the spring coil units. If you see flat springs, you're getting a product that shouldn't command a high price. In top quality pieces, drawer tops and insides of doors are hand-finished and show the same fine veneers as exposed areas. Backs will be finished the same as sides and fronts.

By now you have digested a capsule of education in the art of furniture shopping, so you're ready for the foray.

Program planned for improved seed potatoes

Alberta has just introduced a seed potato improvement program to ensure the continuous production of high yielding, high quality seed potatoes that are free from serious potato diseases.

Basically, the program is designed to eliminate potato virus X and potato virus S from seed potatoes. These viruses cannot be controlled under the present federal seed potato program.

The best strains of disease-free breeding stock have been supplied to the Alberta department of agriculture by the federal research station in Vancouver.

Station is the only one in Canada equipped to provide seed potatoes that are free from PVX and PVS.

The progeny from this breeding stock will be checked out in the field, in greenhouses and in laboratories by the department of agriculture to make sure that the tubers are free from all serious potato diseases.

Responsibility for co-ordinating and implementing the program lies with the department's plant industry division. Co-operating agencies include the plant protection division of the Canada department of agriculture, the plant science

department of the University of Alberta, federal research stations within the province, the Alberta Potato Commission and the Potato Seed Growers Association.

Because of the co-operation of all these agencies, Alberta's seed potato improvement program will be able to achieve the same results, without additional expense, as is being achieved by potato seed farms in other parts of Canada. Some provinces have established seed farms at a cost of up to half a million dollars each.

The Alberta program will be directed by Dr. H. Vaartnou, who has been appointed co-ordinator, and an advisory committee which will be chosen by the director of the plant industry division. The program co-ordinator will serve as the chairman of the advisory committee and the prices and marketing subcommittee. The advisory committee will consist of various specialists and representatives from the co-operating agencies.

Growers of Elite 1, 11 and 111 potatoes will be chosen by the advisory committee, and approved by the prices and marketing subcommittee and the federal plant pro-

tection division. To be eligible for selection, a grower must have suitable land, equipment and buildings. He must also have the required knowledge and experience and agree to comply with the program regulations.

Potatoes from Elite 1 plots will remain the property of the Alberta department of agriculture. Elite 11 plots will be planted under contract by selected growers. These growers will be allowed to sell the progeny only to approved potato seed growers and at a price agreed upon by the prices and marketing subcommittee. Elite 111 potatoes will again be grown under contract and can be sold only to seed growers approved under the program.

Potatoes which are approved under the program, and which qualify as foundation seed, will be tagged "disease - tested" by the Alberta department of agriculture. This tag will be issued in addition to the regular foundation seed tag provided by the Canada department of agriculture.

Remember with poppies and help our veterans

This November it will be 49 years since the custom of wearing a poppy replica for remembrance was inaugurated in Canada. The custom has become general throughout the country and this year, with preparation by the Legion branches everywhere, millions of Canadians will wear this familiar symbol on Remembrance Day.

Remembrance and the poppy are irrevocably bound together. In this way the memory of Canada's fallen can be honored by ensuring

that none of their comrades or their dependents - still living, are allowed to suffer want or distress. Poppy Day has become the one annual appeal to the public to provide funds for the relief of necessitous war veterans and their families.

There are three distinct phases to the observance of Remembrance through the poppy. First, there is the act of Remembrance itself - symbolized by wearing the emblem derived from the blood-red flower that grew

on the graves of Canada's dead in Flanders - to those who paid the supreme sacrifice in all wars in which this country has been engaged.

Secondly, there is the way in which money raised by the Poppy campaign is spent. It is a firm commitment that the proceeds derived from the poppy campaign be spent on the relief of distress among ex-servicemen and their dependents, residing in the community in which the funds were raised.

Thirdly, there is the employment given to disabled veterans who make the poppies under the supervision of the Department of Veterans Affairs, thus ensuring a livelihood for the men employed in "Vetercraft" shops.

With this threefold significance Poppy Day again makes its appeal to the people of Canada. Its success, however, depends entirely on the generosity of our citizens.

In St. Albert, to help achieve our objective, the volunteers of the Canadian Cadet Corp, and members of the Royal Canadian Legion of St. Albert will be canvassing the town on Saturday, November 7. The proceeds which will be attained will remain in the community for the needs of local veterans wherever and whenever the need arises.

.. to the editor

The Editor:

Might I add the following footnote to "As I See It" by Rose Martel (Gazette Oct. 28).

Section 154 of The Alberta School Act 1970 reads as follows:

"154. (1) Upon receipt by a teacher of a written statement signed by a parent requesting that a pupil be excluded from religious or patriotic exercises or instruction, or both, the pupil shall be permitted to leave the classroom or may be permitted to remain without taking part.

(2) No teacher, trustee, inspector or superintendent, shall attempt in any way to

deprive a pupil who attends a school in which religious instruction is given and who does not take part in that instruction, of any advantage that he might derive from the ordinary education given in the school.

(3) Any attempt under subsection (2) on the part of teacher, trustee, inspector or superintendent, shall be held to be a disqualification for and voidance of the position or office held by him."

Therefore, contrary to much current public opinion, religious instruction in a school is not compulsory.

VOLLEYBALL

Saturday, October 31, the senior volleyball teams travelled to Ardrossan to compete in an invitational tournament. It was reported that they won a few matches this time around. Do you suppose this could be attributed to the fact that it was hallowe'en?

Tomorrow after school, Legal will be at the school to play our senior high teams. Let's give them some support!!!

On November 18, the Volleyball Conference will be held at St. Albert High School with Paul Kane, Concordia College, and St. Albert High School, with the winner advancing into the North Central Zone playoffs.

REACH FOR THE TOP

The first game will be played Friday, November 6, at 8 p.m. Our Reach for the Top team this year is Carol McDonnell, Ray Soetaert, Kay Jauch, and Julian Romanko.

HIGH SCHOOL JUNIOR
VOLLEYBALL
TOURNAMENT

A high school junior volleyball tournament will be held Saturday, November 7, at St. Albert High School.

Teams from Morinville, Camilla, McNally, Legal, Paul Kane and St. Albert High School will take part in this tournament.

CURLING RESULTS

Results of Wednesday curling draw were as follows: Todd Cassidy 10; Mike Lyndon 8; Julian Romanko

12; Norman Roy 3; Darrell Kremer 9; Richard Hauptman 9; Bill Witschen 3; Marie Van Tighem 8; Robert Letourneau 6; Peter Byl 4; Ray Soetaert 3; Brian Kupsch 5.

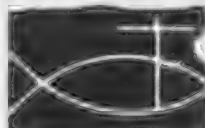

The following teams are still undefeated: Darrell Kremer, Peter Byl and Mike Lyndon.

All boys 12 - 18 are encouraged to attend the "Journal Learn to Curl" sessions. See last Saturday's paper for the registration form or see Mr. Brian Kupsch for more details.

St. Albert Comets senior hockey team held their first practice last Friday at the University of Alberta Arena. Coach Ron Yanosik had about 30 players on hand and there were many new faces. Some of last year's members attending were from left to right, Joe Cassidy, Doug Knisely, Louis Martineau, Ray Lamer, Fred Hesse and Art Scott. Comets open the season tonight in Leduc at 8:30 p.m. and on Thursday play in Stony Plain against Spruce Grove at 8 p.m.

Snowmobile Club to meet

The St. Albert Snowmobile Club will be meeting tonight in the Clubhouse at 8 p.m.

President Dave Howgill extends an invitation to members of all families interested in snowmobiling to attend, and meeting will be held regularly on the first Wednesday of every

month throughout the season.

Discussions will be on various kinds of activities planned for this year, such as exchange visits, distance rallies and the kind of family outings that members would like to have arranged by the club.

Exhibition volleyball

Here is a special treat for volleyball fans in St. Albert!

The University of Alberta Golden Bears will play an exhibition match against the Edmonton Phoenix volleyball club. These two teams represent the best in volleyball

ball in Edmonton and probably in the entire province.

The match will be held at Paul Kane High School tonight and the action begins at 7 p.m. The admission charge is 25 cents.

Come and see volleyball as it should be played!

DON WILSON

Don Wilson of St. Albert will go against Ron Taylor of Vancouver in the 118-pound division in one of eight exciting bouts to be held Nov. 5 at the Purple Dude banquet rooms on the St. Albert Trail.

A supper-lunch at 7 p.m. starts the evening off with the first match getting under way at 8 p.m.

Adult admission is \$2 and children \$1.50.

Large crowd at Namao supper

Namao's annual turkey supper held Saturday, Oct. 24 was again a wonderful success with over 550 persons being served a delicious home-made meal. Many thanks to all who donated food and helped to serve it. The electric broom which was raffled that evening by the Haplette club was won by Mrs. T. Atkinson, 11048 - 126 St. Edmonton.

A Haplette Club meeting was held at the home of Mrs. M. McNeilly on Monday, Oct. 19 with approximately 17 members present. Plans were made to cater lunch for the sale held on the farm of Mr. James Flynn on Saturday, Oct. 24.

Eleven high school students from the Namao district received awards at the Sturgeon School Division's annual awards night held on Oct. 23 at Horse Hills school.

Lauren Miller received a \$25 scholarship from the Sturgeon School Division, the Mary Anne Tanasluk Memorial Scholarship and the Sturgeon Local Alberta Teachers Association Award for his marks in grade nine.

Academic Pin winners from grade 11 were Mary Hoogenboom with an average of 75.0 and Gerald Grant with an average of 86.4.

Grade 10 winners were Judy Pretzlaff 88.1, Audrey Gibson 87.9, Pank Gee 84.3, Joanne Sutton 82.9, Rebecca Thirlwell 78.3, Debbie Eglnski 77.9, Gail Shettler 77.7 and Francis Huber 75.7.

Lauren Miller was the only grade nine winner.

Judy Pretzlaff and Gerald Grant also received medals for the top marks in their grade.

Bon Accord party big success

The village of Bon Accord threw a big hallowe'en party for their children at the community hall Saturday night and the plan proved a great success for young and old.

Stacks of popcorn and gallons of drinks were dispensed and each child went home with a bag of treats. A Walt Disney movie - "This Side of the Mountain Wall" was shown as a special treat, and it wasn't only the small fry that enjoyed it.

The kids were split into

Legal Graduates honoured

By Bernice Mercier,
School Reporter.

Graduation night in Legal held on Oct. 24 proved to be an unqualified success.

The 1969-70 graduates are as follows: Sylvia Auger, Lorraine Brisson, Joyce Burns, Nicole Cyr, Guy De Champlain, Raymond de Champlain, Louise Gagne, Clarence Gerla, Maymie Keane, Robert Letourneau, Adele Limoges, Peter Pedgerachny, Marie Pelletier, Marguerite Piquette, Peter Provencal, Louise Regimbald, Normand Rivard, Irene Tieulle.

The ceremonies commenced with a graduation mass at four o'clock, celebrated by Father Bissonnette, pastor. The graduates were then accompanied by their parents and invited guests to the Legal Community Hall to attend a "finger-licking good" banquet prepared in the graduates honor.

Mrs. William Krauskopf entertained the students and guests with the lovely selection "My Best to You."

Mr. Robert Holzer, home

W.I. marks 24th birthday

The WI celebrated their 24th birthday with a delicious smorgasbord supper at the Club Mocombo Tuesday night, October 27. Thirty members and four guests were present for the occasion.

After the business meeting, games were enjoyed. Kathleen Richardson showed interesting slides on the family's trip to Ireland.

Morinville

Morinville lost two former residents last week -- Miss Mariette Robert, 31, daughter of Mr. and Mrs. Raymond Robert, formerly of Morinville, who died in Edmonton hospital, victim of cancer. Funeral services were held in St. Joachim Roman Catholic Church and interment followed in the Holy Cross cemetery. She is survived by her parents in Edmonton, two brothers, Rev. Lucien Robert of Calgary and Armand of Edmonton; three sisters, Mrs. Alice Sevigny, Mrs. Jacqueline Scoot and Mrs. Yolande Demers.

Mrs. Albert Roy of Calgary who also died after a long illness, was buried in Morinville church cemetery on Tuesday of this week. Mrs. Roy who was 75 at the time of her death is survived by two children, Mrs. Marie A. Cantin of Calgary and Mrs. Eva Marie Paquette of Three Hills. Mrs. Roy came to Morinville in 1906 and lived here with her family until she moved to Calgary in 1951. She was predeceased by her husband many years ago in Morinville. Funeral services were held in St. Francis, Calgary and also in the funeral parlor in Edmonton before burial in the local cemetery.

room teacher of the graduating class, presented the toast to the graduates.

The graduation exercises were held in the school auditorium at 7 p.m. Marcel Brisson, the Students' Union president started the evening off with a welcome to all. Corinne Bergevin and Lucy Montpetit commented briefly

ly on each graduate as they received their scrolls presented by Mr. D. Keane principal of the school.

Brief addresses were given by Mr. Dixon Keane, principal, Mr. Herve St. Onge, chairman of the Legal school board, Mr. Jos Nault, deputy mayor, Mr. Walter Van De Walle, deputy Reeve for MD

of Sturgeon.

The guest speaker for the evening was Father Claude Prefontaine from Fort Saskatchewan who was raised and educated in Legal. The Student's Union would like to express their sincere gratitude to these people who contributed to the success of graduation day.

Maymie Keane and Louise Regimbald valedictorians both spoke remarkably well. Maymie presented her speech in English and Louise spoke in French.

The exercises were terminated by the singing of the theme song "Aquarius" by the school choir under the direction of Mr. Raymond Tremblay.

The graduation dance was held at 9 p.m. with music

supplied by the "Classical Folk." The gymnasium was beautifully decked out in blue white and gold. It was apparent to all that the students of Legal High put in a tremendous amount of work in the preparation of this grand event.

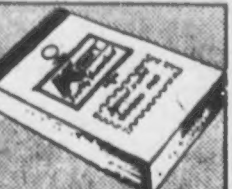

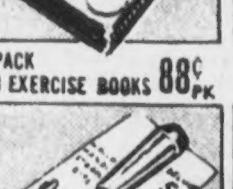

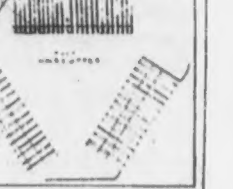

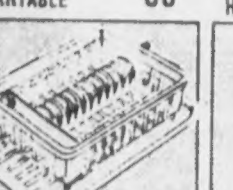

The student body would like to thank all who attended. Your presence gave the students great support and encouragement.

Les Moorby got quite a kick out of the fact that Ernie Jamison didn't recognize Gazette photographer Larry Mitchell when he showed up at the London Society dance Saturday night. Irene Booth also expressed her thanks to the girl from the newspaper who took the pictures. It is unfortunate that Les's photo cuts off Larry's shapely legs.

Around Sturgeon

Among the most popular events in St. Albert district have got to be the community fall suppers. About 550 people enjoyed Namao's turkey supper on Oct. 24. And 500 showed up for Vimy's chicken supper, despite a record-breaking snowstorm which caused a power failure as well as road problems. Nothing daunted, this little village served a delicious meal to the big crowd by candlelight!

On Nov. 11 it will be Bon Accord's turn, when the United Church ladies are holding a turkey and ham supper and Christmas bazaar.

London Society

FROM PAGE 1

The London Society which numbers about 240 members, was founded 10 years ago by two couples who met on the boat while immigrating to Canada from England.

Sid and Irene Booth and Wally and May Cooper saw a need for such a society to work in several ways to help the many people coming to the Edmonton area from the United Kingdom.

Sometimes these people had had misleading information from immigration or other offices in the old country, and on arrival in Edmonton, job or accommodation arrangements might not be what they had expected. Often they had difficulty with shopping and the many details involved in getting settled in a strange city far from home and friends. And nearly always they were lonely during their first few months in Canada.

The Booths and Coopers in talking this situation over decided they would try to organize a society of English people living in the Ed-

monton area who would be interested in helping the new comers. The four of them went to work and the London Society was formed in 1960. Starting from a small nucleus the Society grew steadily over the next 10 years.

Particularly during the first six years the members did a great deal of work in meeting trains and planes and helping immigrants get established. Calls for help were answered at all hours of the day and night.

On one occasion a young couple with two small children called at the Booth's home early on New Year's Eve. Their furniture had not arrived and would not come till Jan. 2. They were invited into the Booth home and made comfortable, before Sid and Irene left for a New Year's dance.

In these years the Society thought of attempting to build a headquarters, but financing was difficult. It worked out that the Booth's home at #1 Sonora Drive became the official headquarters for the Society.

Annual charter flights to the old country became a popular part of their program and Wally Cooper is at present flight organizer. Summer picnics and children's Christmas parties also became yearly events.

Regular dances were arranged and held at the Club Mocombo. Through these activities people often met other people they had known in the United Kingdom, but did not know were in the area. The dances are open to the public and the newcomers made new Canadian friends. Membership is open to anyone from the United Kingdom, or whose parents were, at the nominal fee of \$2 to join and \$5 for annual membership. Interested people may telephone -- 599-3690.

The decision to support the work of the Hercules Club in St. Albert was a natural outgrowth of the Society's program and the two groups look forward to a happy association over the coming years.

and Canada, and everywhere she has earned the praise of serious critics of both painting and etchings.

She met and married her husband Krishna Garg in Paris while he was doing post graduate work in mathematics at the Institute Henri Poincare. Mr. Garg is an associate professor of mathematics at the Univer-

sity of Alberta.

The Gargs have lived in Canada for over four years and moved to St. Albert in February of this year, when Mrs. Garg purchased an etching press and established a studio in their bi-level home at 34 Broadview Crescent.

She is not yet well enough acquainted here to be able to send personal invitations to

people in St. Albert who are interested in art to attend the opening of her exhibition at Edmonton Gallery.

"But I would really like all these people to know that I would be extremely happy to meet St. Albert people at this opening, and to personally show them this exhibition of my work," said Mrs. Garg.
